**THE FORESIGHT COMPANIES ANNOUNCES REHIRING
STEPHANIE RAMSEY**

Phoenix, AZ, September 5, 2014 - Daniel Isard, MSFS, President of The Foresight Companies, LLC announced that they have rehired a long time employee, Stephanie Ramsey, to resume her work in their Client Service area of their firm. "I spotted Stephanie's talent almost 25 years ago when she was a young financial planner and knew that she would blossom in our company doing client service work. Stephanie was with us for more than 12 years, reaching the position of Director of Client Service, where she overview a staff of eight professionals," Dan remembered. "Stephanie wanted to return to her family in Oklahoma as she was raising her children and we accommodated that to have her be a remote employee for more than 7 years, before remote employment was common," Dan added.

After leaving Foresight in 2002, Stephanie worked for several Native American tribes helping oversee their financial reporting, gaming and businesses. "I was fortunate to have a MBA and the hands on experience of working with hundreds of Foresight clients for more than a decade, so helping tribal governments run for profit businesses and casinos was a natural fit for me," Stephanie explained. "I then worked with casino vendors and management companies before looking for a business that would allow me to use my unique style and Foresight was my first choice," she elaborated. Stephanie has an undergraduate degree in International Management from the Oklahoma State University as well as a MBA with a specialty in International Management from the Thunderbird School of Global Management in Glendale, Arizona.

Stephanie will be working with Dan Isard and the current Director of Client Service, Kevin Kruger and the rest of their staff. "Over the past decade, I have heard the stories about how Stephanie would handle one client matter or another. When one of her tribes hired Foresight I got to work with her directly. It was rewarding to finally meet her in person," said Kevin Kruger who for the past 10 years has had the same position. "I am excited to have her join with us again," Kevin added.

“Stephanie will bring her keen insights to our client’s and in addition, I have challenged her to take our Human Resource department to the next level. For more than 25 years we have done many tasks to help funeral homes and cemeteries manage their employees. However, since Stephanie brought this dynamic to our firm a quarter century ago, I am going to ask her to take charge of this service area,” Dan stated. “I look forward to being back with Foresight and using my experience from running funeral homes, cemeteries and other businesses,” Stephanie stated.

You can reach Stephanie to congratulate her or ask her questions by calling The Foresight Companies at 800-426-0165. For additional information please contact Catherine Belliveau at 800-426-0165 or visit our website at: www.f4sight.com
