Curtis Rostad Joins The Foresight Companies

Long time industry expert re-joins former company

Phoenix, AZ— October 2, 2019 — Daniel Isard, managing partner of The Foresight Companies is proud to announce that Curtis Rostad has rejoined Foresight. “My relationship with Curt has spanned three decades. I believe Curt is a true professional that understands funeral service from every angle,” Isard said. “Curt has taught me so much about what it is like to live and work in a funeral home. I am grateful that he is coming out of retirement to work with us,” Isard added.

“Returning to The Foresight Companies, I’m excited to see a company that has not only expanded in size, but also in the scope of services it provides to its clients. I’m looking forward to working with Dan and Doug in helping clients be successful, compliant, and more profitable in the future.” Rostad said.

Curt was an owner, operator, state executive and consultant before retiring two years ago. Curt was a frequent speaker at professional meetings and is known as an expert in Accounts Receivable management, OSHA compliance, and Creutzfeldt-Jakob Disease.

Curt’s focus at Foresight is Client Services and Professional Relations. He will be facilitating the company’s Human Resource services, helping clients implement a solid General Price List, and OSHA compliance and training.

“Curt has an experienced voice and a wealth of knowledge that adds to an already deep bench at Foresight,” said Doug Gober, a partner at Foresight. “Rostad has seen funeral service with more hands-on perspectives than most. He knows operating and legislative matters in ways that few others do,” Gober added.

After retiring from the Indiana FDA, Curt and his wife Jodie relocated to Fountain Hills, Arizona. Curt can be reached at 602-274-6464 or Curtis@theforesightcompanies.com
